Programme

Day 1

Registration and Coffee
9.00am - 9.45am

Session 1: Plenary
9.45am - 11.00am

Chair: Cara MacNish

Welcome and Announcements
Cara MacNish

Opening Address
Nick Spadaccini, Acting Head of Department of Computer Science & Software Engineering, UWA

Keynote Address
A software process: Method or magic?
Dr David Carrington, School of Computer Science and Electrical Engineering, University of Queensland

Morning Tea
11.00am - 11.20am

Session 2: Distributed and Networked Systems
11.20am - 12.50pm

Chair: Lyndon While

A Distributed Tuple Space Operations Protocol For VLOS
Voon-Li Chung
The Simulation of Network Configuration and Security Testing
Primantara Trisnawan

Using XML to Specify a Trace Format for MPI Programs
Simon Huband

Lunch
12.50pm - 1.50pm

Session 3: Graphics
1.50pm - 3.20pm
Chair: Marion Cottingham
A linear time heuristic for trapezoidation of simple polygons
Gian Lorenzetto

A Simple Algorithm for Computing Bounding Volume of a Complex Object
Meng Seet

Improving the Appearance of Polygonal Models simplified using Vertex Clustering
James Strauss

Afternoon Tea
3.20pm - 3.40pm

Session 4: Artificial Intelligence
3.40pm - 5.10pm
Chair: Gordon Royle

The best of intentions: Automatic tagging of discourse acts using transformation-based learning
Daniel Midgley

Evolutionary Computation in Collaborative Multi-Agent Environments
Anthony Di Pietro

A New Medium for Art
Nick Lowe
R & R Break for Soccer, Mini-Golf, Swimming, etc
5.10pm - 7.30pm

Special Viewing: Daniel Midgley takes on Cornelia Frances in *The Weakest Link*
7.30pm - 8.30pm

Conference Dinner
8.30pm
Tai Wah Chinese Restaurant, 125 Mandurah Terrace

Day 2

Session 5: Plenary
9.30am - 10.30am
Chair: Chris McDonald

Keynote Address
*Logics for object oriented information systems*
Dr Erik de Haas, Proper Solution

Morning Tea
10.30am - 10.50am

Session 6: Computer Vision and Software Practice
10.50am - 12.20pm
Chair: Richard Thomas
Automatic Facial Point Detection
Eunjung Holden

Holographic Interferometry for the early detection of breast cancer
Kylie Clark and Ali Lahijani

Upon the variance of estimation
Terry Woodings

Close
12.20pm
